About Me

Energetic and responsible university student with strong face-to-face communication skills and a friendly, approachable attitude. Quick to adapt to new tasks and environments, with a commitment to providing a positive experience for customers. Motivated to learn and contribute effectively in a part-time role.

Work Experience

Tutor Assistant

- Monitored student progress and provided feedback to the tutor.
- Helped maintain a positive and focused learning environment.

Waitress

- Greeted and served customers in a friendly and efficient manner.
- Took and processed orders accurately, ensuring timely delivery of food and beverages.

Promoter

- Actively engaged with customers to introduce and promote products

Skill

- Adaptability – adjusting to different tasks, schedules, and work environments.
- Customer engagement – building rapport and ensuring positive experiences.
- Face-to-face communication – confidently interacting with customers and students.
- Problem-solving – addressing customer/student needs and finding quick solutions.
