PROFESSIONAL SUMMARY

Detail-driven Visual Designer with strong foundations in Interactive Media, blending creative visual storytelling with practical production discipline. Adept at translating concepts into clean digital assets, UI layouts, and brand collateral. Proven capability in coordinating live event aesthetics, spatial signage, and simplifying instructional graphics under tight schedules.

FEATURED CREATIVE PROJECTS

Interactive Media & UI/UX Design System — Academic Project

Lead UI Designer & Visual Researcher

- Designed responsive mobile and web interfaces in **Figma**, establishing unified typography scales, color palettes, and component libraries.
- Engineered interactive clickable prototypes to validate user navigation flows and resolve ergonomic friction points.

Motion Typography & Narrative Video — Media Production

Motion Graphic Artist & Video Editor

- Produced end-to-end video sequences using **Premiere Pro** and **After Effects**, focusing on seamless cuts and color balancing.
- Authored dynamic animated title cards and kinetic type overlays to reinforce visual tone and retention.

WORK EXPERIENCE

Event Operations & Production Crew — Part-Time / Freelance

On-Site Logistics & Visual Display Coordination

- Coordinated setup for physical stage backdrops, branded promotional booths, and directional wayfinding banners, ensuring strict alignment with visual specifications.
- Collaborated with event organizers to execute quick layout adjustments during high-pace live rollouts.
- Engaged attendees with clear, confident communication, upholding overall brand presentation and guest experience.

Tuition Learning Assistant & Coordinator — Primary Level

Educational Aid & Communication Specialist

- Created visually engaging educational worksheets and structured whiteboard diagrams that simplified complex topics for primary learners.
- Communicated feedback to head instructors and parents, bridging stakeholder needs with calm, structured clarity.
